

**REGULATION V**  
**PERMIT TO OPERATE REGULATIONS**

**Rule 504**      **Action on Applications**

The Air Pollution Control Officer shall act within 180 days after the filing date on a Permit to Operate application and shall notify the applicant in writing of his approval, conditional approval or denial.

For major sources subject to Title V of the Clean Air Act of 1990, Part 5.0 of Rule 522 Title V - Federal Operating Permits applies to District action on applications.
